One night, I sneaked into the Queen's Palace and using the opportunity when no one was around, I told the queen everything I heard.

Her majesty said that everyone in the palace was under Jirahel's orders. If that was true, he would never forgive me.

After hearing my story, the queen wrote this letter and ordered me to leave the castle immediately and to watch out for any news about Loulin.

Her Majesty wanted me to wait patiently. If I heard the news of her death, whatever the cause was, I had to hide somewhere far away.

*Reveal the truth to the princess when she is coming of age**

Princess,
the previous
queen, your
mother,

Jishu
killed his
brother
for the
throne

Revenge,
revenge,
revenge!

This half of a
jade ornament
looks similar to
father's...

When the
previous King and
queen passed away,
you were only two
years old. You came to
the Star Empire soon
after that, so no
wonder you cannot
recognize her
handwriting.

personally
wrote this
letter!

But there must
be some handwritten
documents by her
staying somewhere in
Lushia's palace and if
you compare them, I
am sure you can tell it
is written by the
same person.

It cannot
be...

This is not real...

...this
is not
the
truth.

Princess,
it is the
truth!

It was
that monster Jishch
who killed
your father!

Princess, if you
do not avenge
your parents' death, the king
and the queen,
you are not
worthy of being
the daughter of
Lochan.

Let us go.
After we
confirm this
information with
Mook Li, we will
show everyone
in the world
how vile that
monster
Jishch is.

If you have
any doubts,
just ask
Mook Li. He is
the witness!

Prisoners, you are close to the representative of Hui, correct? You can tell the Great Hui for help. Ask him to hold an audience for you.

As long as you use Loulan to prove your loyalty, the Emperor of Hui will not mind telling of that dishonest old man.

As evidence for the Hui (blood related) Princess, Hui is to learn.

No, I do not wish to.

You are lying. That is not the truth.

It is the truth. Most Li saw that the two prisoners are the reincarnations of Ashura, who will bring destruction to Loulan.

The previous king tried his best to prevent Loulan from this catastrophe,

but that bastard Jialoh killed the king to ascend the throne!

...so that was what happened

If I did not eavesdrop on this conversation,

the idea would have never crossed my mind.

No, this cannot be real. This must be a nightmare.

Princess, please do not become any longer. If you will have doubts, I will take you to Mount Li.

OPEN

*Princess, this
person is not
your cousin,*

*but your enemy.
He is Ashura, who
will bring
destruction and
death from hell!*

*Princess...
you have to...
averge...*

No...this is
Mokube.

Mokube,
who has
always been
by my side,
protecting
me.

But, why?

*It felt as if he
was the devil,
coming from
hell.*

*He seemed to know
something about the
other world of the spirits.*

You...

Do you not know that aside from killing the witness, it is also destroying the evidence?

What she said was true.

It does not matter if what she said was true or not. The important thing is, when we show our reasons, there must not be any threats to the official manner of the forum.

Or else we do not have the right to ask for forgiveness from Japan. We cannot let this woman go, no matter what.

But

I also know
this secret,
will you kill
me as well?

I will not
kill you.

The princess
of London
cannot lose
her life in Giant
Pillar, else
totally not.

We cannot
confirm whether
this person speaks
lies or not.

Are you going
to avenge your
parents? Tell
everyone the
truth...

Are you going
to make the King
of London lose his
by interfering with
the peace talk with
that Empire which
will result in a
manacle for both
countries?

Do you think your
father in heaven
will happily witness
you destroy
London?

I will order
Yang Ge' Er to
take care of
this corpse.
You must be
careful!

Do not get
the blood on
yourself and you
cannot reveal
anything to
anyone on the
way back.

You can take
vengeance or wash
eyes for your
father as you wish,
but keep in mind
your people, the
people of
Loulan.

That is why,
do not forget,
before the conflicts
with the Han Empire
are resolved, you did
not hear, no, or
remember
anything.

You...
what does
this mean?
What
happened?

Nothing has
happened.

We talked a
little with this
woman at home [I
was recently staying
there] and she was
downright sincere
and admitted it was
rather a complex
which required
helping.

She wanted to
find out what
happened to this
information. I
didn't want
her to know a
few, so I worked
for a little.

You
what
did you
ask her
about?

I asked her,
"who are you
to me?", "you
have no right
to message
me".

but she
could not stand
it. Girls are so
weak, it makes
me laugh.

How could
you say
these
things to
your
woman?
You...

Then
should I be
her under a
tree?

If you
do not mind her
being disruptive
and causing
confusion in front
of countries'
representatives,
then what
can I say?

It is not like
that!

How could you say those things to her? You know that Moyens respects you a lot. On the way home, she thought of many things to cheer you up.

When we were still in the palace, she tried to get close to you, but now you have talked about her being in that way!

Her good will, I do not dare to take.

Not a word.

Oh, this child...

He does not even know how to take care of his cousin properly.

Moyens, on behalf of him, I apologize to you.

Go away.
You stay
away from
me!

Moyena,
what is
wrong
with you?
I am your
uncle.

Stay away.
You are not,
you are...

Moyena!

What
exactly
happened
to you?

You are the only
one who is not a
London person.

Yuzuru...

Yuzuru,
please help
me. You have
to save me.

They are my
relatives. They are all
people of my country.

Yuzuru,
please do not
let them
near me!

but I do not dare to stop
near them any longer.

*You are not my family.
It is all a mere illusion.
Everything is not real!*

Leave it, Malena,
do not irritate
her any
further...

Why? Malena has
always
cared for
family the most,
why did
she suddenly
want to
hate this?

She stood up for
Malena, but instead
of securing her
kindness, he hurt her.
Her feelings were hurt,
and thus she thought
feelings between family
members are only
a mere illusion. She
has always been a
straight-forward girl,
but since she
was little

and only
someone she
knew dear can
hurt her
this much

What
are you
going?

STEP

How brave
of you. Does
threatening
my guard?

main you
feel satis-
fied?

What exactly
happened
between you
and Mayana?

Do you
really want
to know?

Of course

Will you not
report it?

Why do
I have to
report?

"To be able to talk about 'inflicting pain', as it is in the
second volume and a volume assigned to Mayana.
Does threatening your inflicting brother's guard?" maybe

Custom
carefully

Do you still
remember that
dancer from London,
who taught Alan how
to dance? That woman
took Meyers to a
place where no one
was around

and told Meyers
that it was our royal
father who caused the
death of the previous
king and queen.

**You are
lying!**

Ann F

Then you tell
me, what in the
world can affect
Miyona so
much that she
pushes you and
hates away?

When the
previous king
died, you were
the eldest and
youngest. Try to
remember, do
you not find
anything
strange?

Why did the king
announce us in the
middle of the night?
Why were we made
awake, but after
a few hours of sleep,
we fell asleep almost
immediately?

After we
woke up, we
noticed the news
that the previous
king, who was
strong and
healthy, trapped,
then died.

Although
the queen was not,
she was not ill, but
she also passed
away few days
later...

I have already killed that demon and warned Miyama not to say anything unnecessary.

But whether she can control herself and keep her mouth shut, I do not know.

Think about it, if Miyama really thinks of us as enemies, what will happen?

If father knows about this, what will he do to his beloved son?

You tell me, if other people find out about how father got the throne through dropping his hands, will he still have the right to ask for forgiveness from Miyama?

All these things, I'll tell only you.

NOTE: I don't have time to show this properly, but Miyama must be one of those things only in Miyama.

Only you, will become just like me.

*Stuck between father and Moyena, suffering
from both sides...*

*Eupras and his
98 warriors will
arrive at Gaidi
tomorrow.*

*Princess, you
came all the way
here to tell me
that?*

62

Yuna,
please do
not leave me.
I beg of you,
please do not
become my
enemy.

Mogama,
as long as
you will
need me,

I will
stay by
your side,
forever

I have never felt so lost and frightened in my whole life.

If everything is true, then Moten...

Oh.

Things seemed to
grab a hold
something
an old man
like me was
unfamiliar
with.

The
atmosphere is
enchanting.
Mysterious
memories are
building up
thicker by the
second.

A storm is
heading over to
Glen and we're in the
same ending rain.
